REPLY TO THE ATTENTION OF:

The Honorable Pete Buttigieg  
Mayor of South Bend  
1400 County-City Building  
227 W. Jefferson Boulevard  
South Bend, Indiana 46601

Dear Mayor Buttigieg:

Thank you for your March 5, 2018 letter and invitation to tour South Bend and hear about the City's progress on controlling combined sewer overflows and minimizing impacts to the St. Joseph River.

I am very interested to learn more about the technology South Bend has implemented and how South Bend believes it could achieve the anticipated water quality objectives for the St. Joseph River in a manner that is more affordable than the approach laid out in the current Long-Term Control Plan. As you know, the date we have settled on is June 13, 2018 for the tour and meeting.

Thank you again for your letter and invitation. If you have any further questions, please contact me or your staff may contact Eileen Deamer, Region 5 Intergovernmental Liaison, at (312) 886-3000.

Sincerely,

A handwritten signature in black ink, appearing to read "Cathy Stepp", is written over the typed name.
